

MS. STEIN: And now Rita McBride, nominating chair, will give the nominating report.

MS. McBRIDE: Good afternoon, everybody. It's my privilege on behalf of the nominating committee to bring forth to you the following slate into nomination. Officers Barbara Rogers, Ayanna Hill-Gill, Ann Klotz, and Catherine Hunter, Carolyn Chandler and Rachel Stettler. These are all in nomination as officers or members at large. Do I have a motion to approve this nomination, this slate? (Moved and seconded.) We've done that properly. All those in favor say, "Aye." Opposed? (None.) Abstentions? (None.)

Congratulations to those who are now officers and members at large to the organization. Please also note that there is additional Council information here, annual appointments, and those who are continuing on the Council. We'd like to recognize these at this time. Of course, our wonderful Bruce Galbraith, Sheppard Shanley, Blair Stambaugh, Ellen Stein, Bradley Lyman, Dennis Bisgaard, Doreen Kelly, Janet Durgin, Bessie Speers, and Lisa Darling.

So to all those who are continuing to serve, thank you very much.

It's also my privilege to note those who are concluding their service. Steve Nelson, Jeanne Whitman, Bill Clarkson, Betsy Griffith, Burch Ford, and Bo Lauder. On behalf of all those who are going out, I'd like to say that it has been a great privilege to serve. This is a wonderful organization, and we look forward to our continuing association with it. Thank you so much.
